SUBJECT: Approval of ECP GR-82 Revision A
Contract AF33657-16775

Dear Chuck:

STATINTL

SPO approves ECP GR-82 Revision A from a technical standpoint. ECP GR-82 was originally submitted on the 1967 Services Contract. The proposed telemicroscope, if approved as an AGE item on the AGERL, would be charged against our FY-68 service contract.

Regards,

Lee
